Conference Notes

Friday

OCTM Annual Business Meeting

The annual OCTM Business meeting will be held on Friday, 14 October, in Ballroom 1 of the Park Inn from 8:00 a.m. – 8:50 a.m. This meeting is an excellent opportunity to learn more about OCTM’s role as a professional organization and other activities that OCTM sponsors.

Keynote: Brian Ellis – Dividing Camels

Brian “Fox” Ellis is an international renown storyteller, author and educator who celebrates what is most life-affirming in the human experience through poetry, non-fiction narrative, and folklore. Since 1980 he has been touring the world collecting and telling stories. He has been a keynote speaker at hundreds of conferences and his presentations are always a mix of pedagogy and best practices, humor and classroom tested lesson plans. He is also the author of fourteen books, including “Content Area Reading Writing and Storytelling,” that conveys creating writing across the curriculum, and an award winning children’s picture book, “The Web at Dragonfly Pond.” Mr. Ellis will present two additional sessions at 11:00 in 213S and at 2:00 in 202S.

Concurrent Presentations

Over 70 sessions on Friday, first ones start at 10:00 a.m. after Keynote Speaker Brian Ellis.

Exhibit Hall

Showcasing the latest books and tools for engaging students in the classroom.

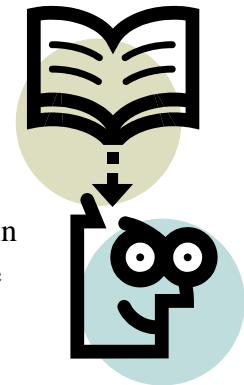

Conference Notes

ATM

An ATM is located in the lobby on the first floor by the Security Office of the SeaGate Convention Centre.

Flash Dance

Flash Dance offers mini presentations of technology tools that enhance students' learning in the classroom. Stop by to see what new and exciting technology is available to capture the students' attention. Also, see how the technology addresses various math standards for Ohio.

Exhibitors

Hall C in the SeaGate Convention Centre will feature numerous exhibits and displays of current educational resources and materials. Exhibitors will be available to explain their products and answer questions. Be sure to take advantage of this opportunity by visiting booths between sessions or in place of attending a session. A complete listing of exhibitors is included in this booklet.

Extended Sessions

The Extended Sessions (90 minutes) provide participants with a more focused setting, usually including hands-on and group activities. Enrollment is limited to room capacity, which is approximately 45 participants. All Extended Sessions will be on a first-come, first-served basis, and doors will be closed when all seats are filled.

Hospitality Table

The hospitality table is located in the SeaGate Convention Centre in Hall C next to the registration table. The following can be found at the hospitality table:

- Information on conference activities and room locations
- Lost and found
- Information on what's happening in the Toledo area during the conference.

(See pages ix and x for local points of interest.)

Membership and Publications

It is important to become involved with professional organizations in mathematics. Registrants will be able to join the the Ohio Council of Teachers of Mathematics (OCTM), and the Greater Toledo Council of Teachers of Mathematics (GTCTM) near the Registration table in Hall C. NCTM print and video materials can be viewed and purchased in the exhibit area in Hall C at the SeaGate Convention Centre.

Permission to tape, record or photograph

Permission to tape, record or photograph must be obtained directly from the speaker involved before the session. The purpose of recording or taping must be stated in writing.
